

# CEPPO

BY LUIGI ROMANELLI

The Ceppo di Gre is a typically Italian rock characterized by the presence of large embedded pebbles. Its graphic, full of character, has made it a widely used material in architecture. The Ceppo collection, sophisticated but innovative, has bold references such as Party and Fantasy, in which you will find an original, modern and fun way to decorate any project.

El Ceppo di Gre es una roca típicamente italiana caracterizada por la presencia de grandes cantos incrustados. Su gráfica, llena de carácter, la ha convertido en un material muy utilizado en arquitectura. La colección Ceppo, sofisticada e innovadora, tiene referencias atrevidas como Party y Fantasy, en las que encontrarás una forma original, moderna y divertida de decorar cualquier proyecto.
