

LINEN

LINEN is a collection inspired by modern-looking cross-cut *Travertine marble*, with a strong realism and versatile potential uses. One of its most distinctive features is the perpendicular cut of the *Travertine marble* that it emulates, giving rise to a stone surface with rich chromatic variety.

The collection comes in three warm colours (Cloud, Desert and Mocha) in 5 100x275 cm, 100x180 cm, 100x100 cm, 75,5x151 cm, 60x120 cm or 90x90 cm format. It is also available in a Shaped, All in One or Antislip finish, the last in a 20 mm-thick version for outdoor use.

LINEN also features Desert-coloured 12 mm-thick 150x320 cm slabs for use as worktops in a Shaped finish, designed to bring an elegant, modern appeal to kitchens.

LINEN se inspira en un *mármol Travertino* de corte transversal muy contemporáneo, que destaca por su realismo y versatilidad. Una de sus características distintivas es el corte del *Travertino* en forma perpendicular, creando una superficie de aspecto pétreo con amplia riqueza cromática.

Disponible en tres tonalidades cálidas (Cloud, Desert y Mocha) en los formatos 100x275 cm, 100x180 cm, 100x100 cm, 75,5x151 cm, 60x120 cm, 90x90 cm. En una gran variedad de acabados: Shaped, All in One y Antislip, este último disponible como solución de exterior en 20mm.

La colección también cuenta con el formato de encimera de 150x320 cm en 12 mm, en tonalidad Desert y con el acabado Shaped. Esta combinación es perfecta para aportar una estética elegante y moderna en proyectos de cocina.
